Who is Energizing Nutrition?

Molly Lee is the founder and director of Energizing Nutrition, a thriving holistic health and wellness practice. For over 15 years, Molly has been guiding individuals to live to their fullest potential and lead happier, healthier lives.

* Holiday special rates valid until Dec. 31st.

** The 1 hr. initial consultation includes a full health history, complete nutritional assessment and discussion of a personalized health and nutrition program catered towards you or your loved one's needs and goals. Follow-up sessions include detailed personalized health and nutrition recommendations.

All packages include a free copy of Molly's book!
